BISHS CREST: Music Program 2027

What is the CREST Music Program?

The CREST Music Excellence Program is a selective Junior Secondary pathway (Years 7-9) designed for students who demonstrate strong musical ability, commitment and a passion for artistic growth.

The Music Excellence Program is designed to deepen music students' knowledge and understanding of music theory through Australian Music Examinations Board (AMEB) studies to extend their application in the dimensions of performance, composition and analysis of music.

This program is ideal for students who already have experience on their chosen instrument and are ready to engage in a structured and supportive learning environment.

Expectations

Students participating in the program are required to be actively involved in at least one of the Bribie Island State High School ensembles or extra-curricular programs.

The program embeds an ICT pedagogy. All students are required to bring a laptop. Students use technology to interact with the repertoire, complete online testing and assignments and compose and record music.

Students who are selected for the CREST: Music Excellence Program will be committed to the course for a minimum of 1 year, unless the student does not meet the expectations outlined as above as determined by the school. Students will have the opportunity to re-apply for the Program each subsequent year

Selection Criteria

Entry into the program is competitive and based on a combination of:

- Demonstrated current ability and experience
- Musical understanding
- Learning attitude and commitment

Personal Qualities

- Ability to work effectively as part of a group and autonomously
- A willingness to contribute to the BISHS community
- Motivation for wanting to be an active part of the program
- An effective and enthusiastic manner
- A willingness to accept unfamiliar tasks and challenges
- Aptitude and eagerness to learn and approach new material and concepts
