When using a privately owned laptop, or connecting to the school network, we agree that:

- Bribie Island State High School will only provide technical support to enable connectivity to the school network via the BYOxLink, for access to student files required for class, internet and printing services.
- It is the responsibility of the student to ensure that the private laptop is secured when not in use. Bribie Island State High School takes no responsibility for theft, loss, vandalism, damage or unauthorised access to private laptops.
- All private laptops must be brought to school fully charged.
- BYOD devices must contain a virus scanner with up to date data virus definitions.
- It is the responsibility of the student to back up data on the private laptop e.g. to external hard drive or USB or OneDrive.
- Any software purchased under Education Queensland agreements must be removed from the private laptop as per the conditions of the agreement. This includes if the student leaves Bribie Island State High School. Any privately owned software installed on the laptop must be age appropriate, follow copyright legislation and not cause offence.
- Bribie Island State High School and the Education Department reserves the right to restrict access and use of any private laptop used on the school campus, whether it is connected to the school network or not. Access to the school network and permission to use the private laptop on school grounds will be withdrawn as a consequence of any inappropriate use and/or security breach. Cloud based services such as iCloud or Dropbox must not be used at school to store, send or access information at school.
