

Welcome to Bribie Island SHS 2024

Dear Parents and Carers,

Please see below and over the page some further information to assist a smooth start to Year 7 including:

First day for Year 7:

Monday 22 January 2024 – 8:25am to 2:30pm. Meet at the grassed area at the front of the school to be greeted by Roll Class Teachers. Students will then be escorted to the P Block for a parade where a detailed induction to the school will be delivered by your child's teachers.

Uniform Shop Opening Hours

The Uniform Shop will be open selected hours in the week before school returns. Students are required to wear full formal school uniform on the first day. See the brochure over page for Uniform Shop information.

BYOD Information

See the brochure over page for the same information provided in enrolment packs including minimum device specifications and information about tech support.

Stationery and First Day Checklist

See the brochure over page for items to purchase ready for 2024 and processes to be familiar with for the first day.

QKR and Compass

Use QKR for canteen items, pay excursions and more. Use Compass to keep up-to-date with communication from the school and report absences. Students can check timetables and keep updated with daily notices.

We welcome you to our school and we look forward to working together to provide your child with the best possible educational outcomes during their time at Bribie Island State High School.

If there are any questions or concerns regarding your child's enrolment, the school office will be closed from Monday the 11/12/2023 and will reopen on Monday 15/01/2024.

The office can be contacted on 3400 2444 or alternatively by emailing office@bribieislandshs.eq.edu.au.

Yours sincerely,

Matt Bradley

Principal

SOFTWARE REQUIREMENTS

The only software requirement for the student's personal device is Microsoft Office 2010 or higher. All Queensland state school students can now download multiple copies of Microsoft Office 2016 to their personal home computers and mobile devices FREE. Students who want the free software will need an active school username and password. If you require assistance please contact school IT Support. Students also have access to a range of Adobe products available for your personal device free, while at school.

REPAIRS AND SCHOOL SUPPORT

All maintenance for the IT device, operating system, software and/or apps purchased by the family are the responsibility of the family. Families should ensure quick maintenance turnaround for student devices. If you run into a problem, we advise students to see the school IT staff who will attempt to diagnose the fault. If this is not able to be resolved, they can recommend a course of action for repair (eg. warranty claim, insurance claim etc.). Troubleshooting will be limited to running an inbuilt diagnostic that has been installed by the manufacturer of your device and will only be performed in the presence of the student or parent.

IT support is offered at the school library before school from 8am every morning and during break times.
