Windows 11 – How to Connect to the school network

If you are connecting at home, use your home internet connection and skip to step 3.

If you are connecting at school, use the steps below.

Use guest Wi-Fi service to connect student's Windows devices Note: Sign on will only work with a valid school email address (*<username>@eq.edu.au>*). You should use your existing school EQ email address.

Step 1. Select the Guest Wi-Fi network

a. Select the Wi-Fi icon at the bottom right of the screen.

b. Scroll the Wi-Fi networks to select EQGUEST. Select Connect
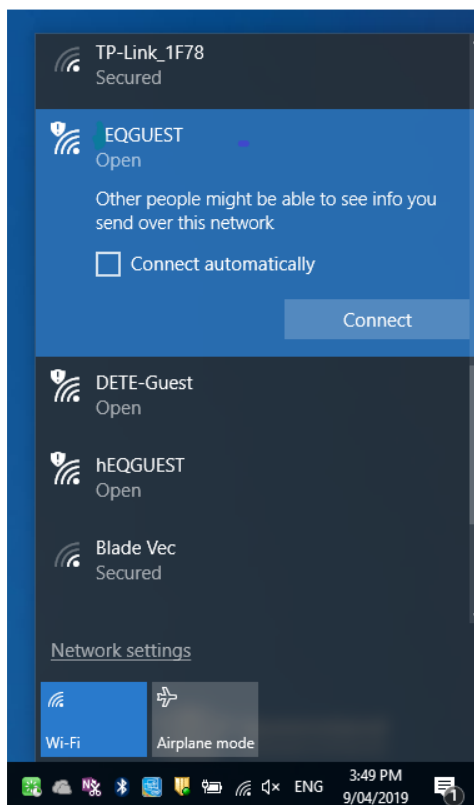

Step 2. Sign on to the Guest Wi-Fi network

A .A Sign on page will be displayed

b. Enter your EQ email address and password

c. Read and accept the Acceptable

Use Policy by ticking the box

d. Select Sign On.

e. A success screen will display, close the window.

Sign on for guest access.

The Department of Education's information and
communication technology (ICT) network is available for
approved purposes only. When using the ICT network you
must act at all times lawfully and in line with the rules that
apply to you which includes:
- The Code of Conduct
- Department's Standard of Practice
- Public Sector Ethics Act 1994 (Qld)
- Crime and Corruption Act 2001 (Qld)
- Information Privacy Act 2009 (Qld)
- Queensland Government Chief Information Office's (QGCIO)
Information security policy, framework and standards
- Departmental ICT policies and procedures.
Unauthorised access and use may result in disciplinary action
being taken against you. If the department reasonably
suspects you are using the ICT network in a manner that
constitutes a crime, the department will refer the matter to the
police.
You must not attempt to access systems for which you are not
authorised, share or let others use your unique username and
passwords, or disclose passwords to anyone (even in periods
of absence).

☑ I agree to the terms and conditions

Sign On

Step 3. **Install Intune**
    a. Connect to the internet and select the Windows icon at the bottom of your screen

    b. Select the **Settings** icon

c. Select **Accounts**

d. Select **Access work or school**. If your account is already listed, select it and then select **Disconnect**. Then select **Connect**.

Accounts

👥	**Family & other users** Device access, work or school users, kiosk assigned access	›
🔄	**Windows backup** Back up your files, apps, preferences to restore them across devices	›
💼	**Access work or school** Organization resources like email, apps, and network	›

e. Enter your log in *@eq.edu.au* email address and select **Next**.

Set up a work or school account

You'll get access to resources like email, apps, and the network. Connecting means your work or school might control some things on this device, such as which settings you can change. For specific info about this, ask them.
